Abre com flor de sabugueiro, groselha e citrinos na boca, com alguma evidência de madeira. Groselhas, maracujá e folha de figueira contribuem para a abundância de sabores tropicais ainda por amadurecer. Ficarà mais verde com a idade, e é propenso a desenvolver sabores de aspargos que são tão típicos do solo de Helderberg.

Opens with elderflower, blackcurrant and citrus on the palate, with some evidence of wood. Gooseberries, passionfruit and fig leaf add to the abundance of yet-to- ripen tropical flavours. Will turn greener with age, and is likely to develop asparagus flavours that are so typical of the pocket of Helderberg used.
